

## Bloom and Grow Grant Request Application

The Bloom and Grow Garden Society has a mission: "To stimulate gardening through promotion and sponsorship of community projects and the protection and sustainability of native habitat; to promote and sponsor educational horticulture experiences and civic involvement." Monies generated from our fundraising activities further these goals, not only through our own focused community projects, but also, by sponsoring targeted projects within the community. If your organization would like to be considered for an award which furthers our mission, please complete the enclosed application, and return it to:

Bloom and Grow Garden Society
